One of the most scenic public golf courses in the Twin Cities area, Chomonix (pronounced "SHA-MOE-NEE") is a championship 18-hole, par 72 course. Chomonix is a hidden jewel in the Twin Cities. Golfing at Chomonix gives you the same feeling as many northern Minnesota courses without the travel. The course location supports a variety of wildlife and native habitat that provides an ideal setting for golf. The course has tree-lined fairways and water comes into play on 9 holes. Playing Chomonix from the championship tees can provide a true challenge for an experienced golfer and the forward tees provide a great course for the occasional golfer. With just the right amount of doglegs and blind shots, this course provides many risk/reward challenges during your round. No matter what your golfing ability, everyone can take full advantage of the unique natural setting and enjoy the abundant wildlife at Chomonix.

Chomonix Golf Course is proudly owned and operated by Anoka County Parks and Recreation
